

ABOUT FURAHA AFRICA RELIEF ASSOCIATION

We are a non-profit organization that works in developing nations such as Uganda, South Sudan and the D.R. Congo to support the most vulnerable children, youth and families in East Africa through a child sponsorship program; relieve poverty of people in need by providing basic necessities of life items to individuals and families to help them earn a living; relieve poverty for families and individuals by providing food, basic necessities and financial assistance for health care; and advance the Christian faith through preaching and training sessions and seminars, providing financial assistance for transportation to attend these sessions and seminars and also providing Bibles to individuals and families in need.
