SHARE THE LOVE...SPONSOR A CHILD

NOVEMBER 2026 NEWS UPDATE

SPECIAL REQUEST FROM FURAHA AFRICA RELIEF ASSOCIATION

Uganda is facing significant food uncertainty due to a prolonged dry spell resulting in crop failures and rising food prices. These challenges are affecting families across our nation and its communities, particularly those who rely on farming for their daily food and income.

Furaha Africa Relief Association is supporting an emergency food-relief initiative to assist our sponsored children and their households. We would love to provide practical support during this difficult period, helping families access essential food supplies while also supporting the schools and communities that serve these sponsored children.

Through our Agent Colleen Stevenson we would love to provide a small package of food relief to these kids and their families (in Uganda, S Sudan and The Congo). A donation of $95 would allow her to purchase staple foods for their time at home or back at school during the holidays.

Donations of any amount you send will be welcome.
