FEBRUARY 2024 NEWSLETTER

This month we want to focus on two projects that are part of our purposes of helping the underprivileged in Uganda to get a basic education and skills to learn a vocation.

PROJECT #215 - Vocational School Support

Provide a person with a skill/training that he/she can use to earn a living.

PROJECT #120 - Child Support Supplement

Helps support the needs in the kids needing support in their education.

It includes school supplies, medical needs, school fees, etc.

Furaha Africa Relief Association's charitable activity in Uganda is carried out through our agent Colleen Stevenson. In the last few months, her parents, Rev. Stan and Rev. Marion Hoffman, who spent many years serving as missionaries in Africa have passed away.

MARION JR. SCHOOL

HOFFMAN TAILORING CENTER

The Marion Jr. School and Hoffman Tailoring Center (Marion) exist in their honor. These projects support facilities that exist in Uganda and the funds will be given to support the education and vocational training of Ugandan students.

Donations to these projects can be made on the website www.fararelief.com; by email with an e-transfer to fararelief@gmail.com or with a check to Furaha Africa Relief Assoc. and mailed to 14 Nordal Close, Wetaskiwin, Ab T9A 0P1

CANADIAN MISSIONARIES IN UGANDA

Colleen & Tim Stevenson are Canadian missionaries serving the church in Uganda and they need financial support to continue their work. They can be supported through the Great Commission Foundation (Project GCF#1343) and a charitable receipt will be issued.
