FARA - Furaha Child Sponsorship Program

The Furaha Child Sponsorship Program has designated July as “FURAHA CHILD SPONSORSHIP MONTH” to promote an awareness of the sponsorship needs and opportunities for sponsors.

Over 800 children and young people have been and still are being assisted to be able to achieve an education, and also a vocation by which to earn a living. More than 400 students have finished the program since it started in 1988. Many sponsors have supported and continue to support these students and many have completed their support commitments. a BIG thank you for the faithful sponsor support for each student and their family in several ways, including prayers and finances. THANK YOU!

Here are some students who have finished and exited our Program:

1. JULY 13/24 Amos Arikod - Graduated with his medical doctor's degree.

As the students and sponsors continue to progress through and finish our program, other students are waiting to join and need a sponsor.

Most churches have been contacted in eastern and western Canada in the Church of God Movement with an offer to send a sponsorship package to inform and promote the ministry work of the Furaha Africa Relief Association, including the sponsorship program. There was a memory stick with a brief power point presentation and copies of photos of children waiting for sponsorship and cover letter.

2. Certificates 2023 - Innocent Barija - BCP (Bricklaying and Concrete Practice, Mechanics and Driving

3. Course in Clinical Medicine - April 2024 - Conrad Kigenyi

If you would like and did not receive a sponsorship package, please contact us at: sponsoradmin@fararelief.com or call Julie Wiebe at 905-745-7030.
