UGANDA MISSION TRIP 2025 UPDATE

February 28-March 17: are the dates for the 2025 Uganda Mission Trip. The six members of this year's trip include: Ken and Julie Wiebe, Nathan Wiebe, Kathy Smith, Joanne and her daughter Nora Aston. The team plans to visit some of the projects that FARA has supported over the past year - i.e. the water supply system with an electric pump, hand out the Buckets of Love food hampers and other Christmas gifts. The team will also meet some of the vocational and theological training students, participate in several Sunday Ugandan worship services, plus interview a number of sponsor kids.

The Mission Trip Team will be taking 50 Compass Solar Radios with Audio Bible with them that are from Galcom International (www.galcom.org) to give out.

Galcom provides durable technical equipment for communicating the Gospel worldwide.

Each radio will have two frequencies - one in Luganda and one in English. For the Bible, 25 will be in Swahili and 25 in Luganda. This is an exciting way of having the Good News of the gospel available for the people to listen and learn.

Please remember the team in prayer as they travel and carry out their responsibilities during this trip.

The Compass offers enhanced audio quality, increased memory, a larger solar panel, and is tuneable and programmable in the field if needed. The audio Bible can be navigated with the help of audible and visual indicators to quickly find a specific book or chapter.
